The Georgia Sports Hall of Fame and the Macon Coca-Cola Bottling Company are celebrating the rich history of Negro League Baseball with a special focus on the players and teams from the State of Georgia from 1920 to 2020. Our exhibit looks to educate and enlighten visitors to a part of American history that has been often overlooked and underappreciated.

The exhibit includes memorabilia, photos, history, and audio/video content featuring The Atlanta Black Crackers and the Macon

Cubs, along with legendary players like Dick "Cannonball" Redding, Josh Gibson, Jackie Robinson, and James "Red" Moore, to name just a few.
